warranties with every copy of The Object To Be Licensed You Distribute or Publicly Perform. When You Distribute or Publicly Perform The Object To Be Licensed, You may not impose any effective technological measures on The Object To Be Licensed that restrict the ability of a recipient of The Object To Be Licensed from You to exercise the rights granted to that recipient under the terms of the License. This Section 4(a) applies to The Object To Be Licensed as incorporated in a Collection, but this does not require the Collection apart from The Object To Be Licensed itself to be made subject to the terms of this License. If You create a Collection, upon notice from any Licensor You must, to the extent practicable, remove from the Collection any credit as required by Section 4(d), as requested. If You create an Adaptation, upon notice from any Licensor You must, to the extent practicable, remove from the Adaptation any credit as required by Section 4(d), as requested.

You must include a copy of, or the URI for Applicable License, with every copy of each Adaptation You distribute, or publicly perform. You may not offer or impose any terms on the Adaptation that restrict the terms of the Applicable License or the ability of the recipient to exercise the rights granted to that recipient under the terms of

this License. You must keep intact all notices that refer to the Applicable License and to the disclaimer of warranties with every copy of The Object To Be Licensed as included in the Adaptation You distribute or publicly perform. When You Distribute or Publicly Perform the Adaptation, You may not impose any effective technological measures on the Adaptation that restrict the ability of a recipient of the Adaptation from You to exercise the rights granted to that recipient under the terms of the Applicable License. This Section 4(b) applies to the Adaptation as incorporated in a Collection, but this does not require the Collection apart from the Adaptation itself to be made subject to the terms of the Applicable License.

- c. You may not exercise any of the rights granted to You in Section 3 above in any manner that is primarily intended for or directed toward commercial advantage or private monetary compensation. The exchange of The Object To Be Licensed for other copyrighted works by means of digital file-sharing or otherwise shall not be considered to be intended for or directed toward commercial advantage or private monetary compensation, provided there is no payment of any monetary compensation in connection with the exchange of copyrighted works.
- d. If you distribute, or publicly perform The Object To Be Licensed or any Adaptations or Collections, You must, unless a request has been made pursuant to Section 4(a), keep intact all copyright notices for The Object To Be Licensed and provide, reasonable to the medium or means You are utilizing: (i) the name of the Initial Right-holder or Related Right-holder (or

pseudonym, if applicable) if supplied, and/or (ii) if the Initial Right-holder or Related Right-holder and/or Licensor designate another party or parties (e.g. a sponsor institute, publishing entity, journal) for attribution (“Attribution Parties”) in Licensor's copyright notice, terms of service or by other reasonable means, the name of such party or parties; the title of The Object To Be Licensed if supplied; (iii) to the extent reasonably practicable, the (URI), if any, that Licensor specifies to be associated with The Object To Be Licensed, unless such URI does not refer to the copyright notice or licensing information for The Object To Be Licensed; and (iv) consisted with Section 3 (b), in the case of an Adaptation, a credit identifying the use of The Object To Be Licensed in the Adaptation (e.g., "French translation of The Object To Be Licensed by Initial Right-holder or Related Right-holder," or "Screenplay based on original The Object To Be Licensed by Initial Right-holder or Related Right-holder"). The credit required by this Section 4 (d) may be implemented in any reasonable manner; provided, however, that in the case of an Adaptation or Collection, at a minimum such credit will appear, if a credit for all contributing authors of the Adaptation or Collection appears, then as part of these credits and in a manner at least as prominent as the credits for the other contributing authors. For the avoidance of doubt, You may only use the credit required by this Section for the purpose of attribution in the manner set out above and, by exercising Your rights under this License, You may not implicitly or explicitly assert or imply any connection with, sponsorship or endorsement by the Initial Right-holder or Related Right-

holder, Licensor and/or Attribution Parties, as appropriate, of You or Your use of The Object To Be Licensed, without the separate, express prior written permission of the Initial Right-holder or Related Right-holder, Licensor and/or Attribution Parties.

e. For the avoidance of doubt: The restrictions mentioned above [(4(a), 4(b), 4(c), 4(d))] do not apply to those parts of the work considered to fall within the definition of a The Object To Be Licensed under this license exclusively because they meet the criteria of the *sui generis* database right under the Greek Copyright Law implementing the European Database Directive (96/9/EC)

- (ii) Collective Rights management: the licensor waives the right to collect royalties (individually or in case that the licensor is a member of a collecting society, through that organization) for non-commercial uses of The Object To Be Licensed. The licensor reserves the right to collect royalties (individually or in case that the licensor is a member of a collecting society, through that organization) for commercial uses of The Object To Be Licensed.

g. Moral rights remain unaffected to the extent they are recognized and are non waivable by applicable law¹.
